Notice of Company Name Change

Nagano FCL Components Limited changed its name to Meiko Electronic Components Co., Ltd. on June 1, 2026.

We will create unprecedented added value by combining our accumulated technological capabilities and customer base with Meiko's management resources, know-how, and network. We will enhance our products and services, expand our business areas, and strengthen market competitiveness by maximizing the strength of both companies.

As a member of the Meiko Group, we are going forward to achieve sustainable growth and enhance corporate value by leveraging synergies in various areas, including research and development, sales activities, and supply chain management. We will also strive to deepen our relationship of trust with our customers and partners by providing them with even higher.

We would appreciate your continued support in the future.
